

# Polymag® Tek Cleaning Wipes

with integrated “scrubbing dots”

ContactClean™ by Polymag® Tek, Inc.

## Polymag® Tek PTW-D10 Cleaning Wipes

- Polymag® Tek Cleaning Wipes are alcohol and water saturated cleaning wipes for the routine maintenance and cleaning of Contact Cleaning Rolls (CCRs)
- Lint free, non-woven fabric
- Integrated “scrubbing dots” add texture and cleaning power to the wipes
- Saturated with 70% Isopropyl Alcohol/ 30% water solution
- Each pack contains 10 wipes with dimensions of 6” x 8”
- Cleaning wipes are sold in QTY of 6 packs

Polymag® Tek recommends wiping down the contact cleaning rolls with PTW-D10 after every shift.
